BSB Star Joe Burns #53 to Race with Sorrymate.com

New Season New You

About now you are probably disconnecting the tickle charger, pulling off the bike covers, and giving your trusted friend a good dusting.

Yes we know, this can only mean it is our favourite time of the year..the start of the motorcycle season.

Be sure you check your tyre pressures and fluid levels to give it a once over check that your motorcycle is in good mechanical order after its winter storage before its first outing on the roads again.

Remember to keep your SMIDSY card on you as this will be your protection for the season ahead. If you need a new card, then please submit a new registration for a card by [Clicking Here](#) or call us on [01925 643 688](tel:01925643688)

Ride Safe and have a great 2016 Motorcycling Season!
